News and Events for the Students of George Brown College

## ORIENTATION BLITZ!

### IslandFest

Once again it was a beautiful day for the annual G.B.C. Orientation BBQ on Centre Island. The day started with a free burger & hotdog for the more than 400 who attended from all campuses. Aerobics started the afternoon activities off, followed by cheers & field events, all who participated in the field events received a huskies hat and an orientation frisbee. The day was a great success, all who attended received an orientation T-Shirt and a smile from all Student Council Executives, Alex Barbier & the rest of the Athletics Department & lets not forget the IslandFest volunteers. The day could not have been as successful if not for all who helped.

### Pub Crawl

What a night!! It all started at St. James on two red Double Decker buses, first stop, Downtown Brownies. The evening started out pretty quiet, students were making new friends and catching the sights of T.O. from a different perspective. After spending 2 hours of eating, drinking, and listening to some rock & roll, things started to get a little uncivilized. We headed back on the buses and had a little tour of T.O., although we were only going to RPM which is a few blocks away from our first bar, the Double Decker buses can only get to Lake Shore by going under the Gardiner at Spadina. The pub crawlers spent two hours dancing their hearts out to the beat of DISCO, that's right DISCO, its back but don't worry we have no John Travoltas at G.B.C. The crawlers proved this to be true when they were back on the bus. As many of you well

Happy Pub Crawlers showing their "Spirit's"

it was impossible to tip a double decker bus, he was right the buses didn't tip over, but good try guys. The next and final stop on our journey was The Big Top (with a few more people than we ended up with, G.B.C. student wannabees). An outstanding, excellent, monumental, time was had by all. For those of you who attended and have been asking when the next Pub Crawl will be

and for those of you who missed the first one, S.A.C. will be planning the next one around the end of November.

### The Beach Bum Boat Cruise

may have started off a little rocky but once the rain had stopped and the storm warnings disappeared

Photo William J. Windrem

the Captain sounded the horn and we were off. Unfortunately due to the bad weather the ferry could not leave the Toronto harbour to go out onto Lake Ontario, but once Brian started to play everyone of the 360 students appeared to be having a good time dancing and singing. When the boat docked at 11:30pm the fun didn't stop there many headed to a local G.B.C. hangout for another

hour of fun with new friends.

### STAFF AND STUDENT 25th ANNIVERSARY DANCE

The Student Administrative Council held a staff and student dance on September 17 at Casa Loma and all proceeds went to peer tutoring. The dance featured music from the 60's, 70's and 80's. The crowd was evenly mixed with students and staff. This was a much needed social event that brought staff and students closer to feeling like one community. The Dance was such a success that plans are already under way for another event that will bring the staff and students together in a social atmosphere. Watch the Dialog next month for details.

# SPECIAL INTEREST INFORMATION

## LETTER TO THE EDITOR

This month I hadn't received any feedback from any of the George Brown community, maybe because I didn't ask for any. So this month I'm going to address something that kind of makes me mad, the fact that our Prime Minister is sending his children to the United States for an education rather than having them study right here in Canada.

Recently I was asked by the Toronto Sun what I thought of this and now I'm going to tell you. This obviously shows that Brian Mulroney has no faith in the Canadian Education system, and as a role model to Canadians abroad he's telling us to cross-boarder shop (or maybe his children can't bear the torment of being related to the Prime Minister).

As a concerned and dedicated Canadian student I will be writing a letter to the Prime Minister asking what the States offer. Con'ton page. 6

Although summer is over, there is some information I recently received from the Humane Society which can still apply in winter, but work just a little differently. The information I received concerned pets and the dangers of over heating, the article mostly concerned the leaving of a cat or dog in a car when it gets hot out. Now we know the chances of that in winter are possible, the direct sun light beating through a car window can be just as bad in winter as it is in summer, these are steps in which you can avoid this possible problem:

1. Leave your pet at home, if it is not necessary to take your pet-Don't.
  2. If your pet must accompany you in the car, don't leave your pet in the car for too long (five minutes at the most).
  3. Ensure your pet has adequate shade and ample water to avoid heat. For more information, please call:
- Chris Fox  
External Relations Manager  
392-2273, ext. 111

Keep looking here for more pet facts each month, as well as "Pet O' the Month". Send in photos of your favorite pet including name, age and you could win, I mean your pet could win something they've always wanted. Include your name and phone number so we can contact you.

Participants from all areas of George Brown College took a walk for the United Way's 10th Anniversary Walkathon at Nathan Phillips Square on Sunday, September 13th. Over \$1,000 in pledges was raised for the United Way in the 4 kilometer event. Doug Stulla, Chair of this year's George Brown United Way campaign, said he was encouraged by the response by George Brown students and staff, and believes that this is a good indication of what we can expect from this year's campaign.

"We want to let people know more about the kinds of services United Way member agencies provide and we're looking for even more people to get involved this year. It'll be a short intense campaign [beginning October 6 and ending November 6], with great special events", he said.

Last year's most popular events will be repeated. On Pancake Day, 7:30 - 9:30 am, November 5, a full pancake and sausage breakfast with juice or coffee will be available at both Casa Loma and St. James campus cafeterias for a small donation.

On Saturday, November 21, 1992 the Epilepsy Association, Metro Toronto will be hosting their Annual Epilepsy Day conference "Epilepsy... Exploring the Horizons". The conference will be held at the Y.M.C.A., 20 Grosvenor Street, Toronto.

The conference is to increase public awareness and acceptance of epilepsy. It is of interest to people with epilepsy, their friends, teachers, employers, medical and health professionals. Epilepsy is a disorder, not a disease. Anyone can develop epilepsy at any age in their life. There are up to 26,000 new cases of epilepsy diagnosed each year in Canada.

Established since 1956, the Epilepsy Association, Metro Toronto's goal is to provide direct service to individuals and their families with epilepsy and act as an advocate to the public at large.

For more information, please contact Patti Cross, Education Coordinator at the Epilepsy Association, Metro Toronto, 965-9095.

## STUDENT LIFE ADVISORY COMMITTEE

The Student Life Advisory Committee is made up of staff and students from across the college who want to ensure that there really is a sense of community at GBC. We have two standing committees - Orientation and Student Issues. Through these committees, we work with SAC to make sure that student needs are heard and to provide services and programming to ensure a successful college experience for all students.

Here is your chance to have direct input. Help us set priorities and continue our reputation for accountability and performance. We have a direct link to College Council and through Council to the President.

All staff and students are welcome to join either or both committees. We will establish ad hoc committees as events and issues arise. Meetings will be scheduled on a rotating basis at Casa Loma and St. James, with Kensington and Nightingale attending whichever is more convenient. If there are issues and interest, we could also establish separate committees at Kensington and Nightingale.

The first full meeting of the Student Life Advisory Committee will be the Open Forum with President Rankin. We will set priorities for this year and give members an opportunity to sign up for committees.

Join us to meet your President and hear how you can become involved.

## CURRENT STUDENT ISSUES FOR COLLEGE COUNCIL

The first College Council meeting for the Academic year 1992/93 was held on Thursday September 10, 1992. The feature event on the Agenda was the establishing of the working committees for the year, and determining what each committee's issues were.

As President of the St. James Student Council and a member of College Council, I would like to report to you the students, what some of the issues the Student Issues Committee will be looking at this year.

We discussed the fact that the College has information booths strategically placed within the College for students, but they were very rarely staffed. The question was raised about work study, and why the SAC's on all campuses had been eliminated from the work study budget to pay their pub staff and SAC Shack employees.

As a committee we are requiring more information regarding the deferral fee, and where this money is going. We as students have a right to know if this deferral fee is really an administrative expense, and we deserve to know just how many students actually default on tuition payments, that cause such an outrageous expense as a deferral fee to students. We are also curious as to why George Brown College charges a slightly higher deferral than some other Colleges. Con'ton Page. 6

## AHHH! STOP, I CAN'T TAKE ANYMORE

For those who love a good vampire movie, "Innocent Blood" is not! This movie was bad, in the literal sense of the word. The campaign behind this film stated that "Marie (the vampire) sucks!" What they failed to say was that the film sucked as well!

It's to bad that Anne Parillaud, who played the main character Marie, accepted this role considering the great work she is capable of doing, such as in "La Femme Nikita".

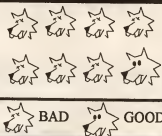

The plot was typical, meaning it lead to a heated chase in the end, and the unexpected, well didn't happen. This movie offered some comedy relief which was sometimes clever, and quite amusing, while most was your average cliché one liners.

Robert Loggia makes for an interesting change of pace, mafia backstabber, vampire lover and overall bad actor (do I sound negative, go see the movie, I'm being very nice).

My intent as President of the Student Council is to eliminate the fee entirely, however this may not be possible until the information regarding this fee is gathered and reviewed, please watch for more updates.

The Student Issues Committee also discussed putting together a proposal for establishing a College Alumni. This will take time and hopefully before we all Graduate we will be able to look forward to the possibility of being a part of George Brown College's Alumni Association.

Other issues that were discussed are campus safety, the issue of starting school before labour day weekend and the effect that has on students, teacher evaluations by students, and the student ID cards.

If any of these issues concern you, I welcome you to attend a meeting of the Students Issue Committee, and express your concerns regarding these, as well as any other student concerns you have.

In a recent research project that is done annually by an exterior non-canadian group, it was found that Canada had a standing #1 in the world for it's educational practices and teaching seconded by Japan. ## ATHLETICS

### Varsity

Men's and Women's Soccer have started and you can still come out if you are interested. The Men's team are 0-3 losing to Seneca, (3-0), Sheridan (6-0) and Centennial (2-1) in a much better played game. The Women's team tied Seneca 2-2 in their only game played so far. Both teams play their home games at Lamport Stadium, so come out and give them your support. Upcoming games:

**Men**  
Wed, Oct 14 vs Seneca 4pm  
**Women**  
Wed, Oct 7 vs Seneca 4pm  
Sat, Oct 17 vs Canadore 11am  
Mon, Oct 19 vs Durham 4pm

Tryouts for Mens and Women's Basketball  
Mens and Women's Volleyball Continue. Please show up if you have the desire, discipline, enthusiasm and team spirit. Badminton begins on Tuesday, Oct. 6 at 7pm

All interested skiers should turn up for a meeting set for Mon. Oct 5 in the gym. Plans for the upcoming season will be revealed. See you there!!!!

### INTRAMURAL

Volleyball and Ball Hockey have started at St. James and Casa Loma. Class teams involved are having fun and the winners of campuses will meet week of Oct 19.

Registration for the next two activities Badminton and Basketball all starts on Oct 13. Get your class together and join in the fun!

### RECREATION

Aerobics classes have started and are continuing with a largeturnout. The Fitness Centres are gradually getting filled with activity as the memberships increases. A great variety of activities are happening so come up to the Gym and get involved!!!!

### Thanks from the Director of Student Services

Many thanks to S.A.C. for raising over \$1,000 for Peer Tutoring and to Jason Richards for organizing the 25th Anniversary Dance. I want to congratulate this year's Student Councils for distinguishing themselves by their demonstrated commitment to a broad program of student and community service.

### Who Is Toronto's Safest Driver?

Do you think you're an excellent driver? If so, come and test your skills - for precision and low-risk driving.

*A Woman's First Driver Training* with the help of the Centre for Driver and Trainer Development (Mississauga), announces a unique one of a kind contest: Who is the Safest Driver in the Toronto and Greater Toronto Region?

Participate in our 20-minute driving test, which can qualify you for our top-five drive. We will test you for smooth driving, pre-driving, safe vehicle positioning, general awareness, basic parking maneuvers, and how you move within the traffic flow. This is not a speed test or a parking lot rally session, but a *safe-driving* assessment.

This contest is open to all those who hold a valid driver's licence and is designed in the spirit of promoting safe and responsible driving. The contest runs from Tuesday October 13th to Friday October 23rd, 1992.

The top five participants will have their names published in the newspaper and be honoured with a Women's First Driver Training Award of Excellence. Top scores will be posted at A Woman's First Driver Training facilities, and the top five drivers will be called back for a final "drive-off". The top-ranking finalist will win a weekend for two at the picturesque *Bayview Wildwood Resort* on the south side of Sparrow Lake in Orillia Township, approximate value \$450.00.

To enter the contest, simply call *A Woman's First Driver Training* at 487-9184. There will be an entrance fee of \$15.00 per Person. Proceeds will go to a local women's hostel.

This is the first of an annual contest to be held in the Toronto region.
